

Dining Update 10-14-21

Mountain View Dining Room

Dining Bubbles are no longer necessary. Feel free to eat with whomever you wish, whenever you wish.

- Reservations are recommended.
- Walk-in dining is available; however, you may be asked to wait so that we may give prompt attention to those already seated.
- A sign has been placed next to the cashier stand to give guidance regarding the availability of self-seating or hostess assisted seating.
- Party size is limited to 6 people.
- Reservations are first come, first served
- You may make reservations up to 14 days in advance.
- We are still not able to have non-Hillcrest residents dine in the dining room.

Tray Delivery Service

Please be aware that tray delivery orders received after the beginning of meal service may not be delivered until the end of the meal. The timing of the delivery will depend on the number of residents using the dining room. Unfortunately, we are not able to schedule specific times for delivery.

Private Dining Room

The Private Dining Room is now available for resident groups. The maximum capacity of the room is 12 residents. Please book the room 24 hours in advance by contacting the Host Station at (909) 392-4000 x4535. The members of the party can pick up their meals from the takeout line. Dining services will provide a standard room setup before your meal to include tablecloths, silverware rolls, a water station and waste receptacle. If you have any additional needs, please contact Yesenia Reyes at x4140.
